We invite members of the UI community to review a draft of the [Assurance Argument](#) that we will use to help represent the University of Iowa to the Higher Learning Commission (HLC) as one part of our upcoming university accreditation review. HLC Peer Reviewers will use this document to help them prepare for a campus [Site Visit](#) on March 25-26, 2019.

The Feedback Forum will consist of two one-hour meetings:

- 1. Orientation to University Accreditation:** This meeting will provide an overview of HLC expectations for the Assurance Argument and a framework for providing feedback on our current draft. After the meeting we will provide access to a web site where you can review the current draft, and we will ask you to read it and be prepared to provide your feedback at the second meeting.
- 2. Feedback Discussion:** The second meeting will take place 3 weeks after the first meeting. We will discuss your feedback and recommendations for improving the document.

To participate, select the day and times that best fit your schedule. You can let us know when you are available to participate by going to the [Feedback Forum Registration](#) page.
